have invested the balance of Rs 24, in the Savings Bank for the next year's Show in the Amildar's name. This is so far a very good beginning; only it is desirable that gradually the official element should withdraw or at least simply cooperate with the leading non-officials leaving the burden of management mostly to the influential land-holders or merchants of the Taluq. But this is a work of time.

2. The Show had the peculiar good fortune of being inspected by His Highness the Maharaja who had gone to attend the car festival.

3. Lectures in Kanarese were delivered to the pupils by the Inspector of

of Cattle Diseases, Mr Jagannath Assistant Surgeon and Mr. N. Narasimha Iyengar of the Mysore Normal School on Cattle diseases, Inoculation and cultivation of Sugarcane respectively.

4 The Deputy Commissioner awarded special prizes of his own and was good enough to open the Show during the Show

A short account of the above will be published in the Revenue and Agricultural Gazette

Sir,

In Continuation of this office letter No. 1111 of the 17th February 1908, regarding the organization of a Cattle Show at Nanjangode, I have the honour to submit herewith Copy of report No. 360 of the 23rd March 1908, from the Amildar of the Nanjangud Taluk Submitting a detailed account of the Show in question. The report is exhaustive and interesting and I have only to add that natural advantages for such Shows (the Collection of Cattle) are far greater at Nanjangode than at any other place in this District. It is a Railway Station and under 15 miles from the Capital. There is ample water, shady

and fodder and the Cattle owners are likely to find a good Sale for their Cattle as a large Concourse of people from far and near Collects for the Doddajatra

2. I shall place this report before the District Board at its next meeting, with a view to ascertain its opinion as to whether it would be willing to render any help for the next years Show.

I have the honour to be

Report on the Cattle Show held at Nanjangud on the 16th, 17th and 18th March 1908, from the Amildar of the Nanjangud Taluk. —

Nanjangud is a rising town of great importance, and its famous temple dedicated to Sri Kanteerava Swami - which is noted throughout India for its antiquity and sanctity attracts a large number of people from inside and outside the province including Northern and Southern India. The car procession known as "Shri Triveni Ratha Jatra", is one of the most important events and the concourse of people on this occasion is exceptionally large. Seeing that Cattle Shows with a view to improve the breed of cattle were being held on such occasions at other

religious Centres such as Nanjangud,
Chamarajanagara and Ghati
Subramanya, and seeing that
such a Show had not been
organized at Nanjangud
which is a famous place of
pilgrimage, possessing equally
good, if not better, advantages
in the shape of Shade, water
and other Conveniences, besides
being Connected with Railway
and Telegraph and with a
view to improve the breed
of cattle in the Taluk which
is rather poor, I thought of arranging
to hold a Show in Nanjangud
at the Dodda Jatra. With this
end in view, I spoke to several
ryots in the Taluk and explained
to them the advantages accruing
from such Shows. They sympathized
with the movement and promised
every help and support. I
had issued notice for Convening
a meeting of the leading
Citizens and ryots to be held
on the 18th February 1908 in
Order

in order to ascertain the public opinion and the amount which would be contributed in support of the movement.

In the meantime I received Deputy Commissioner's Order No 2742 dated 29th January 1908 directing me to report whether a Cattle Show similar to the one proposed to be held at Nuwara Eliya in the Thumpitiya Talukk could not be arranged to be held at Nanjangode at the Dodda Jatra with the help of the ryots; and I, in my Istilla No. 312 dated 1.2.1908 reported what I had already done in the matter and promised to submit a further report with the proceedings of the meeting arranged to be held on 10th February 1908.

The leading citizens and ryots attended the meeting which had been adjourned to 14-2-08, approved the idea of holding a cattle Show at Nanjangod at the

time of Doddagubbi from this year with the aid of private Contributions and resolved to award 11 prizes this year of the value of Rs 110/- as detailed below, for the best agricultural bullocks, breeding bulls, Bull calves, and Cow, and to keep the unspent amount of subscription in Savings Bank Deposit in the name of the Amildar—

1. Agricultural Bullocks 4 prizes of Rs 20, 15, 10, 10.
2. Breeding bulls. 2 prizes of Rs 15 & 10.
3. Bull Calves. 4 prizes of Rs 5/ each.
4. Cows giving good Calves 1 Prize of Rs 10 ——

The following gentlemen were appointed to form a judging Committee—

1. Mr. Guru Rao
2. " Rama Gowda
3. " Basave Gowda
4. " Viswanatha Dikshitar
5. " Timmamma
6. " G. K. Narasimhiah
7. " Linganna
8. " Goolia—

A Copy of the proceedings of the meeting was submitted with my report No 332 dated 11th February 1908 to the Deputy Commissioner who was pleased to approve of the idea of holding the Show and to arrange for wide as publicity being given to the Notice of the Cattle Show in the Bombay Gazette, the Revenue & Agricultural Gazette, and in the other Talugs of the District. I also wrote to Yadiv to several Amildars and requested them by D. O. letters to induce the ryots in their Talugs to take their Cattle to the Show, and I received replies from most of the Amildars stating that the notice had been published. Wide publicity was given to the Notice in this Taluq also.

The Jungi Tope "situated on the bank of the Kapila river was selected for holding the Show. This tope has a large number of old trees affording good shelter and has river close by

Containing excellent water. This tope is generally used by the pilgrims resorting to this jatra. A portion of the tope, measuring about 2 acres without prejudice to the floating jatra population was reserved for the Cattle-Show, and the ground which was not even, was leveled and cleared of all rubbish, and was divided into Compartments of Convenient sizes for picketing Cattle with roads of sufficient width in front and in the rear. A space of 4½ x 4½ or 16 sq. yds. was allotted for each pair of bullocks. A plan showing the ground and the Compartments and the roads accompanies this report. Paddy straw and pegs for picketting Cattle had also been secured. All these arrangements were Complete by the 14th. evening. The right of collecting manure Subject to its removal on each day of the Show was sold for Rs 22/- and the Contractor was daily removing the manure.

The services of 4 Sweepers out of the Conservancy establishment

temporarily sanctioned for the Jatra were utilized for keeping the whole Jagir tidy and neat

The dates fixed for running the Show were 16th, 17th and 18th March 1908. On the evening of the 15th March 1908, 20 pairs of bullocks arrived from Eswarangowdanahalli, Kahalli, Narapura and other villages of this Taluk and on the same night and in the early morning of the 16th the other cattle came. The total number of cattle mustered was :—

Agricultural bullocks	326
Breeding Bulls.	30.
Bull Calves	35.
Cows.	19
Total	410

Their Highnesses the Maharaja and Maharanee and the Members of the Royal family arrived at Kanjangud for the Car festival

on the morning of the 16th March 1908. The Deputy Commissioner was pleased to inspect the Cattle and the arrangements made for the Show. On the same day H.H. the Maharaja was graciously pleased to visit the Show and to inspect a number of cattle. One bullock and a Cow belonging to Hiramiah, Shanbhog of Kalale specially attracted His Highness the Maharaja's attention on account of their smallness in size and stature though 6 years old. The animals were only 2 ft. in height, which is disproportionately and unusually small for their age. The Cow is said to have just conceived.—

The Show which began on the 16th Continued on the 17th and 18th and the people who had come for the jatra freely resorted to the Cattle Show and took great delight in inspecting the Cattle. The probable estimate

of the people assembled for the jatra was about 10 000. More than half the number visited the Show. On the morning of the 17th and 18th the members of Judging Committee were busily engaged in inspecting and examining the Cattle and gave their individual opinion on the 18th.

On the afternoon of the 17th the Deputy Commissioner arrived from Mysore and under his Presidentship, lectures in Canarese on the following subjects were given on the Show ground.

(1) Diseases of Cattle and their treatment. —
By Mr. Narasimha Iyengar
Inspector Cattle diseases.

(2) Cholera and Plague their prevention, and treatment Inoculation —
By Mr. Jagannathan
Assistant Surgeon.

(3.) Cultivation of Sugar Cane, paddy, Jolam, Potatoes, Preparation of manure &c
By Mr. Narasimha Iyengar Normal School Lecturer.

The ryots who had accompanied the cattle mustered strong in the ground, listened to the lectures and appeared to be satisfied with the eloquent treatment of the subjects and to have grasped the instructions imparted to them by the learned lecturers. The last lecturer showed five specimen of pedoy, golam and bone-manure and the syringe with which soap water is administered to the plants infected with small insects.

The Medical lecturer ably advocated inoculation as a preventive against plague, and also inoculated 33 persons on the spot in the presence of the assembled ryots with a view to remove any misapprehension which the ryots may have entertained.

The Agricultural Chemist in Mysore as requested by the Revenue Commissioner, had sent some implements and machines in charge of an officer who demonstrated on

the 15th, 16th, 17th and 18th in the presence of the ryots near the Cattle Shop ground, — Machines and implements worked by manual power. Chaff cutter was very much appreciated by the ryots. This implement receives the fodder stalks and cuts them into small thin pieces in which shape it is given as fodder to the cattle. One G. K. Narasimhia, a big ryot, offered to buy it.

On the afternoon of the 18th, the last day of the Show, the Deputy Commissioner arrived from Mysore and with judging Committee and the Inspector of Cattle diseases, he inspected the Cattle Selected by the judging Committee as eligible for reward and awarded prizes as detailed below

---

1. Messrs Guru Rao and Sankara Iyer Pleaders of Nanjangud Town had exhibited their pair of bullocks at the Show and they secured "Honorable Mention". Recipients of Money prizes and Honorable Mention were given Certificates in the prescribed form. Before distributing Money prizes and Certificates, the Deputy Commissioner was pleased to exhort the reporter to take Special Care and attention in rearing and training

Cattle required for agri-
- cultural purposes and on
improving the breed which
he observed was rather poor
when compared to the breed
elsewhere. He also advised
them to lay to heart the
instructions given to them
the previous day by the
three lecturers and to act
up to them.

With the exception of a
pair of bullock from
Balloor, Yedatore Taluk,
and a breeding bull from
Mysore both of which secured
prizes, the former getting
Rs 20/- and the latter Rs 10/-,
the rest of the cattle was Centa
bought by the Nanjangud
Taluk alone. The other
talukes were not represented
though notice of the Show
had been duly published

JL

It is hoped that the other Taluks will Contribute largely to the Show and Contribute from next year.

A Sum of Rs 383-8-4 was Collected this year by private Subscription and out of it Rs 139-6-3 have been spent for prizes, fees &c. and the balance Rs 244-1-9 has been deposited in the Savings Bank as Reserve Fund in the name of the Amildar in accordance with the resolution of the Committee.
